Dear Yorktown Business Owner:

The Yorktown High School Music Boosters is a student-run club whose purpose is to support the music program at YHS. Today we are writing to tell you about our upcoming fundraiser; the *14th Annual YHS Bands Swing Dance Concert* and to ask for your possible support. Our event will take place on Saturday February 11th, 2023.

Our Swing Dance Concert is a beloved band tradition. To prepare, students spend 8 weeks studying the music, musical icons, and pop culture of the Swing Era. Then, we present a concert (in the form of a dance) and the entire community is invited. Guests are encouraged to dress in 1940's fashion, enjoy a professional dance lesson, light refreshments, and dancing to music provided by our YHS Band students. It is a wonderful celebration of our learning community, and the uniquely American artforms of jazz and swing dancing!

A highlight of the evening is our raffle. Would your business consider donating a prize item, or a donation to help defray event costs? We would love to list your business as a sponsor in our concert program.

If you are interested in supporting the YHS Music Boosters, please fill out the information below, speak with the band student or parent carrying this letter, or contact me directly. Thank you for your consideration.

Musically Yours,

Emily Kluga
