Kayla Howell - Clarinet. Kayla began playing the clarinet in 5th grade and has enjoyed it ever since. Kayla has been a part of the Concert Band, Wind Ensemble, Pep Band, and Clarinet Choir during her years at Yorktown High School. She has served as Librarian for the band in her junior and senior years. Kayla was also a part of the winter track team and the golf team. Kayla cannot wait to attend Wesleyan University in the fall where she will pursue a biochemistry major and also play on their golf team. She would like to thank Ms. Kluga for all of her hard work to make the band such a fun and educational experience. She would also like to thank all of her friends who made the band room a special and welcoming place for everyone.

Trevor Griffiths - Trumpet. Trevor started playing the trumpet in the 5th grade and has loved it ever since. During his four years at YHS, Trevor has participated in Concert Band, Wind Ensemble, Pep Band, Jazz Band, and Symphony Orchestra. Trevor served for two years as a YHS Band Officer in the positions of Vice President and President. Outside of the band, Trevor maintains a focus on music as he also performs with Studio Orchestra on bass and sings in Concert Choir as a tenor. Trevor will be spending the next four years at Ithaca College getting a degree in Music Education, a path he never would've found if not for his amazing experiences with the YCSD Bands. He would also like to thank his parents, his siblings, his peers, and Ms. Kluga for all their support.
